Worldwide Presence

At Assaad Daoui & Co. we are involved in bespoke projects covering furniture & curtains, decorative wood works and accessories as well as design services for private residences, villas, palaces, hotels, embassies, hospitals, universities and retail shops all around the globe. Our offerings also include a collection of more than 1,500 fabrics for furniture and curtains as well as FF&E and OS&E. Our industry connections and reputation allowed us to develop over the years strong relationships with industry suppliers and renowned interior designers. Our know-how acquired throughout the years combined with our technical skills and our 3,000 Sqm factory facilities allows us to achieve the trendiest and finest furniture implementations while keeping our offerings extremely competitive in terms of price, quality and services.

Furniture & Curtains

From classic to contemporary designs, Assaad Daoui & Co. provides its clients with customized furniture as per customer request and taste. Any kind of wood finishing (wood type, color...) and fabrics can be provided and adapted to customer's projects. Our know-how in fabrics selection permits us to complete the interior of our customers with curtains that match the spirit of the provided furniture. We are also well positioned to help our clients ensure that their furniture, fixtures and equipment (FF&E) and operating supplies & equipment (OS&E) are handled, delivered and installed when they are needed and the way it's needed.
